the details

PINE PIZZERIA DETAILS

WHAT TO EXPECT

Arrival

We will arrive approximately an hour before the start of your event to set up our equipment and get the oven warmed up. Once the oven is up to temperature, the pizzas will cook in a minute.

Flow of Service

Our pizzas are made on-site. We use our own fresh dough, hand toss them and cook them in our mobile brick pizza oven. We typically serve everything buffet style which allows your guests to sample all the flavors of pizza you selected and helps maintain a smooth flow of service. However, we do offer other service styles. Please consult with your Client Experience Coordinator for more information.

We require enough space to park our brick oven and set up our workstation. The minimum amount of space needed is 13ft x 21ft. The oven can be set up anywhere you can park a car (driveways, curbside, parking spaces, etc).

Paper products are included with the Conifer and Spruce packages. The Pine package includes real plates and flatware and compostable napkins. Should you want linen napkins at an additional charge, please let your Client Experience Coordinator know.

OTHER DETAILS

Staffing

Each proposal will include the cost of all culinary, waitstaff, and bartenders (if applicable) necessary for your event. Parties over 50 guests require additional staff. The pizza packages are currently staffed at minimum levels.

For example, the Conifer package is staffed for 50 guests. Should you select the Conifer package and have 60 guests, additional staff will be necessary.

Ultimately, the number of staff is determined by your final guest count, menu selections, and vision.

Travel

We travel all around the Colorado Front Range. The first 35 miles of travel are included. Additional travel fees will be added for events past the 35 mile radius from our location in Longmont, CO. Yes, Estes Park is included in our radius!

Deposit

A 50% deposit is required to reserve the date of your event. The remaining balance is due seven days prior to the start of your event.

Local Tax and Admin/Ops Charge

The 20% Admin Ops fee is an industry standard charge which covers Pine Pizzeria's costs to "bring the restaurant to you." This fee is not a gratuity. It covers the costs of ancillary labor not included in your package, administrative costs, maintenance, utilities, insurance costs, and other 'behind the scenes' expenses. Menus and experiences can be fully customized with a minimum of 25 guests. Please reach out to your Client Experience Coordinator with any questions you might have. We are here to exceed your expectations!
